Expiry Date: December 10, 2020

Dear Dr. Bonnie Fournier,

The Research Ethics Board has reviewed your application titled 'Reducing HIV-related Stigma in School Children in Northern Uganda: A Multi-level Arts-based Population Health Intervention'. Your application has been approved. You may begin the proposed research. This REB approval, dated December 11, 2019, is valid for one year less a day: December 10, 2020.

Throughout the duration of this REB approval, all requests for modifications, renewals and serious adverse event reports are submitted via the Research Portal. To continue your proposed research beyond December 10, 2020, you must submit a Renewal Form before December 10, 2020. If your research ends before December 10, 2020, please submit a Final Report Form to close out REB approval monitoring efforts.

If you have any questions about the REB review & approval process, please contact the Research Ethics Office via 250.852.7122. If you encounter any issues when working in the Research Portal, please contact the Research Office at 250.371.5586.

Sincerely, Joyce O'Mahony
Chair, Research Ethics Board
