## A Questionnaire for Antenatal Depression in Pregnant Women

### A.1 The natural situation

0.Number:

1.Name:

2.Age:

3.Ethnicity:

A.ethnic minorities B.Han nationality

4. Occupation:

A.worker B.farmer C.cadre D.medical staff E.Teacher F.staff G.waiter H.business I. no job J.other

5.Education level:

A.master's degree and above B.undergraduate C.specialist D.high school and below

6.Are you smoking?

A.no B.occasionally C.often D.<10 sticks/day E.10-30 sticks/day F.>30 sticks/day

7. Are you passive smoking?

A.no B.occasionally C.often D.<3 hours/day E.>3 hours/day

8. Are you exposed to drugs?

A.no B.yes

9. Are you drinking?

A.no B.occasionally C.liquor D.beer E.wine

10. Are you exposed to toxic and hazardous substances?

A.no B.radiation C.high temperature D.noise E.lead F.mercury G.pesticide H.decoration I.pet J.other

11. What is your family income?

A.2,000 yuan or less B.2000-5000 yuan C.5000-10000 yuan D.10,000 yuan or more

## A.2 Pregnancy and disease history

12. Your pregnancy history

A.no B.normal childbirth C.cesarean section D.induced abortion E.spontaneous abortion F.ectopic pregnancy G.premature birth H.stillbirth I.birth defects J.other

13.Do you have or have suffered from the following diseases?

A.no B.heart disease C.chronic nephritis D.high blood pressure E.diabetes F.thyroid disease H.other

14.Do you have or have suffered from the following infectious diseases?

A.no B.tuberculosis C.disease hepatitis D.rubella E.cytomegalovirus F.sexually transmitted diseases G.other:

15.Do you have or have suffered from mental illness?

A.yes B.no C.not sure

16. Are you currently taking the medicine?

A.no B.yes

17. Are you married to a close relative?

A.yes B.no

18.Is there a genetic disease in your family?

A.no B.hemophilia C.congenital heart disease and diabetes D.congenital mental retardation E.blind F.deaf G.dumb H.mental illness F. other J. uncertain

#### A.3 The state of mind

19. Why do you want a baby?

A.my own wishes B.the wishes of the lover C.the common wishes of husband and wife D.the wishes of parents E.the pressure from other families and friends F.other:

20. What preparations are needed before pregnancy?

A.body B.economy C.psychology D.birth knowledge E.other

21. Are you ready to be a parent?

A.yes B.no C.uncertain

22.Do you think that children will influence the relationship between you and your lover?

A.yes B.no C.not sure

23.Do you care about the child's gender?

A.yes B.no C.uncertain

24. What do you worry about pregnancy?

A.whether the baby is healthy B.economic pressure C.discomfort caused by pregnancy D.labor pain E.baby affects my work and development F.baby occupies my private space G.body shape change H.other:

25.Do you think tension will affect conception?

A.yes B.no C.uncertain

26.Do you think nervous anxiety is caused by miscarriage?

A.yes B.no C.uncertain

27.Do you think mental stimulation affects fetal development?

A.yes B.no C.uncertain

28.Do you think tension can lead to ectopic pregnancy?

A.yes B.no C.uncertain

29.Do you feel pressure now?

A.yes B.no C.uncertain

30. How is your relationship with your lover?

A.harmony B.general C.nervous

31. How is your relationship with friends and relatives?

A.harmony B.general C.nervous

32. How is your relationship with your colleagues?

A.harmony B.general C.nervous

33.Do you currently have a tendency to depression?

A.yes B.no

34.Do you currently have an anxiety tendency?

A.yes B.no

## A.4 Demand survey

35.Do you understand the psychological counseling and guidance of pre-pregnancy eugenics?

A.yes B.no

36. Have you received eugenic counseling and guidance before pregnancy?

A.yes B.no

37.Do you think it is necessary to have pre-pregnancy eugenics counseling and guidance?

A.yes B.no C.does not matter

38. How do you know about pre-pregnancy eugenics counseling and guidance?

A.wall newspaper column B.text and publicity materials C.network D.radio and television E.newspapers and magazines F.training lectures G.listen to people around you H.other:

39. Where do you receive pre-pregnancy eugenics counseling and guidance?

A.family planning service station B.maternal and child health center C.general hospital D.professional psychological counseling institutions

40. How did you conduct pre-pregnancy eugenics counseling and guidance?

A.separate consultation B.face-to-face consultation C.telephone consultation D.group training

41. What is your need for counseling and guidance for pre-pregnancy eugenics?

# B Psychological questionnaire for antenatal women

| Data item                      | Quantity |
