

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Protein sequences of CnTDH and CnKBL

File Name: Supplementary Data 2

Description: Nucleotide sequences of CnTDH and CnKBL

File Name: Supplementary Data 3

Description: Validation report of 7BXP

File Name: Supplementary Data 4

Description: Validation report of 7BXQ

File Name: Supplementary Data 5

Description: Validation report of 7BXR

File Name: Supplementary Data 6

Description: Validation report of 7BXS
