### Data

**Data available:** No

### Additional Information

**Explanation for why data not available:** Institutional Review Board from each hospital doesn't allow to share patient-level data outside the institution. The code was run locally at each site with meta-analysis centrally As described in the paper, we do share: Data Dictionary: [https://github.com/covidclinical/Phase2.2.psy\\_peds\\_trends/tree/main/public-data](https://github.com/covidclinical/Phase2.2.psy_peds_trends/tree/main/public-data)
