

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Cartesian coordinates for the optimized structures.

File name: Supplementary Data 2

Description: NMR spectra.

File name: Supplementary Data 3

Description: Cif file of 3a

File name: Supplementary Data 4

Description: Cif file of 3r

File name: Supplementary Data 5

Description: Cif file of 3aba

File name: Supplementary Data 6

Description: Cif file of 5p

File name: Supplementary Data 7

Description: Cif file of 8
